

# OUR VILLAGE: VIAGRANDE

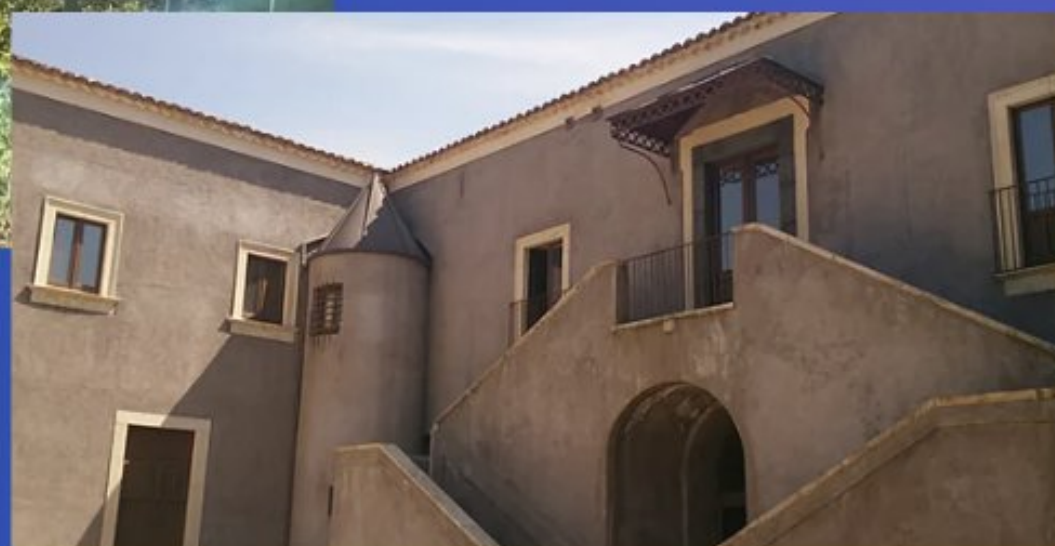

Almost 9000 people live in Viagrande.  
It's located 15 kilometres north of  
Catania and it's only 18 kilometres from  
the volcano Etna's peak.

We are here

In our village there are many old buildings,  
many monuments and many churches.

Children in Viagrande love sports, art, nature.

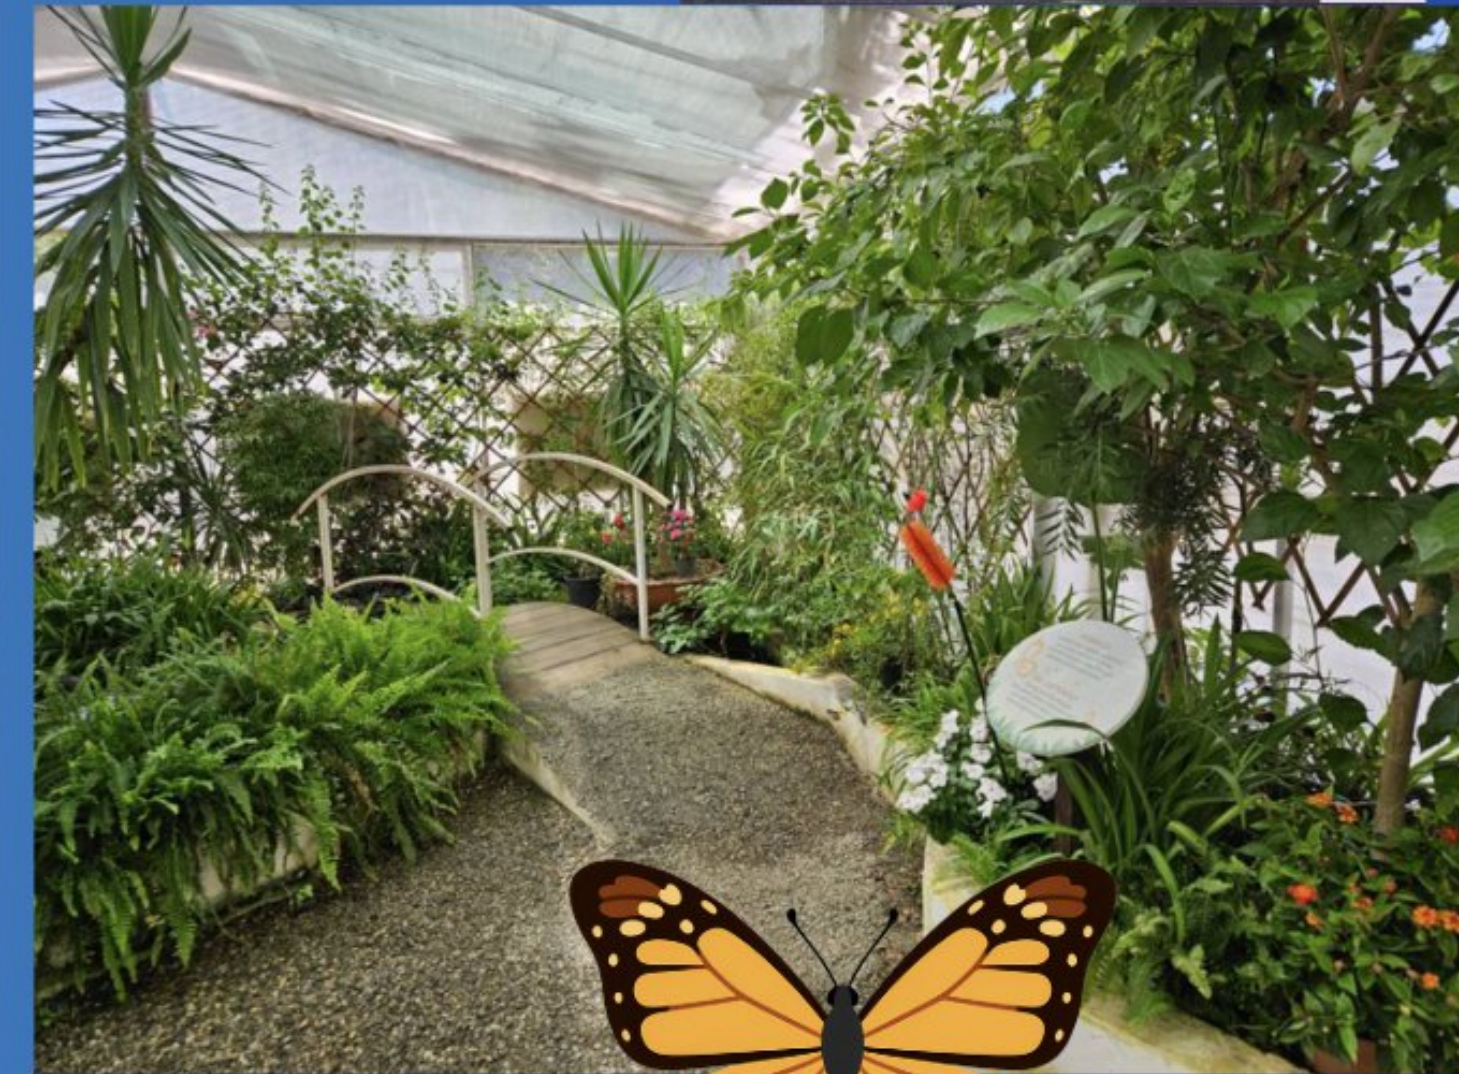

Children in Viagrande participate in the community life.  
Viagrande's Saint Patron is San Mauro Abate and there's a  
big feast to celebrate him every 15th of January.

Everybody in Viagrande loves Monte Serra natural park, the Butterflies' House with the Etna Apiary and The Museum of Etna.

These places make children very happy.
